Notes from ISACS

For a modest charge of \$10, ISACS provides to member schools customized statistical reports in this "short report" format, comparing a school's data with that of other similar schools. A "long report" format is also available for \$10. The tuition, salary, and enrollment statistics are from the current year, and the budget and annual giving stats are from the prior year. Schools are listed alphabetically, salaries in descending numerical order, so that confidentiality of salaries can be maintained. No one is authorized to publish this data outside ISACS membership.
