

ISACS Financial Aid: 2002-2003

ISACS thanks the National Association of Independent Schools (NAIS) for their online statistical reporting service (STATSonline). At the time schools entered the following data (September through November, 2002), 212 ISACS members were listed by NAIS. Approximately 140 schools entered financial aid data. ISACS extends thanks to school for their data entry (around 66% of our total membership). Because not all schools entered data, the figures need to be interpreted cautiously. It is important to note that statistics vary from year to year, depending upon which schools enter data.
