

# Professional Services Committee (PSC)

Advises the President and Board of Trustees on the needs of school faculties for Association services; to promote in-service workshops/seminars and other activities for teachers and administrators; to provide encouragement, coordination, cooperation, and support for the efforts of state/local professional services committees; and to find ways of recognizing the professional service of teachers and administrators. Goals include:

- Networking of local/state professional development organizations.
- Sponsoring professional growth opportunities on a regional level.
- Advising the president, the board and the director of professional development on the needs of independent school educators.
- Recognizing examples of outstanding teaching.
