Paymerang Introduces

Invoice Automation for K-12 Schools!

Benefits

Gain **Efficiency**
Save time in approving and posting invoices

Enhance **Visibility**
Gain visibility to all invoices and their approval status

Improve **Accuracy**
Reduce errors with automated invoice capture and posting

Go **Paperless**
Eliminate paper with electronic processing and archiving

"We're delighted with Paymerang's Invoice Automation solution! We've gained significant efficiencies in approving and posting invoices. Our budget managers love that it's paperless and that they have instant access to processed invoices. This has been a game changer."

Jenn Quindoza | Controller/Risk Manager

Collegiate School

Get Started Today

Implementation is quick and easy with our seamless integration to Blackbaud. Contact us today to learn how you can leverage a full-scale AP Automation Solution to help your school become more efficient, secure, and profitable.
